IIT JAM BIOTECHNOLOGY & BIOLOGICAL SCIE. - “TIPS FROM TOPPERS”

“ Obviously I am very happy with the result. I thank VPM Classes, specially the test series was very good.

”

ADVISE: Be very strong in 11 and 12 class basics.

KAUSHAL | AIR 10

“

I appeared in both Biological Science and biotechnology. The **ALL INDIA TEST SERIES (AITS)** for IIT JAM by VPM Classes was perfect for me. The online tests were tougher than the actual paper, so it was an added advantage. Just knowledge is not enough, **the ability to handle a 3-hour paper is very important**, and that was given to me b AITS.

”

TIPS: Revision is most important as the syllabus is huge.

MODHURA GANGULY | AIR 10

“

The **All India Test series was helpful**. I mainly focused on the numerical part of the papers.

”

TIPS: Attempting the last years question bank is a must.

AMITAVA SINHA | AIR 11

VPM CLASSES

IIT-JAM, UGC NET, CSIR NET, GATE, JEST, JNU, BHU, TIFR, etc

“

VPM Classes study material and test series has been very useful. I followed MCQ, MSQ, NAT sequence. All India Test Series and other tests have been very useful, esp. because projected rank was given after each exam. I also get qualified in TIFR. Attempt all unit test papers in VPM materials.

”

TIPS: JAM aspirant must do hard work, but with good planning.

NIDHI RAY | AIR 14

“

One big reason of my success is VPM Classes. The THEORY was very simple and covered full syllabus. I appreciate the fact that my full material was delivered on time and there was no delay. This helped me to start my preparation early. The study material provided in-depth knowledge of all topics.

The material was very well organized and helped me cover each part topic wise. My parents are very happy about my selection in IIT. I suggest that more questions from 11th and 12th standard should be added as JAM paper was based on basic only. I want to become a scientist, so after my M.Sc. I will do research in my subject. **ADVICE:** Practice more and more questions from 11th & 12th level. Brush up your concepts and revise your

”

syllabus at least one time. Be regular in your studies.

KASTURIKA SHANKAR | AIR 47

“

MTP & JTP helped a lot in my preparation. My 90% success is because of VPM Classes. I had prepared for IIT JAM for 1.5 years and finally got through. I love biological sciences. The theory part can be improved. It had many mistakes but full marks to the question papers. The level of MTP was same as that of IIT JAM actual paper. After M.Sc. I will pursue Ph.D. and want to become a scientist. **ADVICE:** Love your subject. Only then you can

”

achieve success. Prepare hard.

IIT-JAM, UGC NET, CSIR NET, GATE, JEST, JNU, BHU, TIFR, etc

“

I mainly referred VPM books. Biological Science paper was moderate this year. I completed all AITS and other test paper of VPM Classes and reviewed answers and projected rank were helpful. AITS were excellent in preparation.

”

TIPS: Regular deep studies and AITS are key to success.
