I was lucky to get enrolled in IIT JAM coaching of VPM Classes, Jaipur for JAM-2019. This year the paper was lengthy but moderate and due to practice by attempting VPM Classes various test papers, especially mock tests papers, I was able to manage time as well as scoring marks while attempting JAM paper. I followed sequence as MCQ, NAT, MSQ. I referred VPM Classes material as well as books. TIPS: VPM Classes test papers was very helpful in managing time as well as practice. After completing theory, I started attempting papers 6 months before

exam and given all papers.

“

I am ELATED with my result. The paper this year was both tough and lengthy. I USED only VPM Classes STUDY MATERIAL for IIT JAM, did not use any other books. The All India Test Series (AITS) was particularly good, the practice I got in

”

the AITS was instrumental in me getting a top rank in IIT JAM.

PRATYUSH BANERJE | AIR 16

I READ the VPM CLASSES, JAIPUR STUDY MATERIAL with care. First I went through the units and unit test papers. Then I attempted Online Test Series. Special thanks to VPM for giving all India ranks in mock test papers (AITS). After attempting also reviewed my mistakes in detail by the solutions provided by VPM CLASSES. Thus, I was able to clear my concepts. TIPS: JAM aspirants must get

”

clear concepts and study well to crack the JAM.

SHAMRIDDHA DE | AIR 30

In the initial 3- 4 mock tests papers I could not complete the paper in 3 hours but later I was able to complete in 3 hours. I followed NAT, MCQ, MSQ sequence. From VPM CLASSES test papers, I was well trained in time management during exam. and able to score good marks to get AIR-40. TIPS: JAM aspirants must attempt last year's questions. VPM classes is providing last year's topic wise questions in unit test papers which is very
